INFORMATION DISCLOSURE STATEMENT

Sir:

This is an Information Disclosure Statement filed in accordance with 37 CFR 1.98.

Attached is a Form PTO/SB/08 identifying reference WO 02/066293, which was cited in an International Search Report issued by the European Patent Office on May 21, 2004 in connection with the above-identified International Application. As can be seen from the enclosed copy of that Search Report, the reference is indicated as being in Category X with regard to claims 1-5.

No copy of this identified reference cited in the International Search Report is enclosed since a copy is presumed to already be in the file due to having been

forwarded by the European Patent Office as a result of an existing treaty. However, if no such copy of the reference is in the file and a copy of this reference is desired, please request a copy of the reference from undersigned counsel and it will be supplied.

The attached Form PTO/SB/08 additionally identifies four (4) German references, which are cited and discussed on pages 1 and 2 of the present application, where their relevancy is explained. Copies of these four German references, with attached English language Abstracts, are enclosed.

No English translation of any of the identified foreign language references is presently readily available. However, the attached Form PTO/SB/08 further identifies US 2004025835, which is a counterpart of DE 10063751.

Since all requirements for the filing of Information Disclosure Statements have been complied with, it is requested that the Examiner consider all of the identified references and indicate such consideration by enclosing a properly initialed copy of the enclosed Form PTO/SB/08 with the initial Office Action.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
